## Worksheets Adverbs

Adverbs describe verbs, adjectives or other adverbs. An adverb gives us information about the way something is done.

*Circle the "how" adverbs and underline the word it describes.*

1. I accidentally spilled her milk on the water.

2. We patiently waited for our turn to enter the grocery.

3. The ants busily gathered food for the winter.

4. The water in the river rose rapidly after the hurricane.

5. The test was so simple they quickly finished it before class was over.

6. My little cousin did not feel well after eating so much candy.
