

Creative Writing Worksheets

General Instructions

You will be writing a narrative this term. You will be guided throughout the term in writing this narrative, and at the end of the term you will submit a final copy of this narrative for grading. This writing will be your end of term creative writing grade, so make sure you pay close attention to all the instructions and guidance. You will be following the writing process and this must be done on a timely basis.

Class Discussion- What is a Narrative?

Part 1 - The Prewriting Process

- Find a topic
- Establish your purpose and audience
- Research and plan your writing

Activity 1: The Topic

- a. Write the name of two or four main characters, and determine the setting and the problem for your story or narrative. Use this to write your creative story. Brainstorm your topic. Write your ideas in the space provided below.

Characters	Setting	Problem

- b. Give your story a title.
