

Name: _____ Date: _____

Grammar Quiz 2

Read the passage below. Then write the part of speech for each of the following selected words in the passage below. Use the list below to help you identify the part of speech.

LIST: common noun, proper noun, possessive noun, abstract noun, adjective, verb, conjunction, preposition, adverb, pronouns

¹One day a man went into ²Sam the Chemist's Shop and said, "Have you anything to cure a ³headache?" The chemist took a bottle from a ⁴shelf, held it ⁵under the ⁶gentleman's nose and took out the cork. The smell was so ⁷strong that tears came into the man's eyes ⁸and run ⁹down his cheeks.

"¹⁰What did you do that for?" he said ¹¹angrily, as soon as he could get back his breath.

"But the medicine has ¹²cured your headache, hasn't it?" ¹³said the chemist.

"You fool," said the man. "It's ¹⁴my wife that ¹⁵has the headache, not me?"
