Dear Susanne,

How are you? I do hope that you are in the best of health. Please say hello to your family for me. You have always treated me like family. Therefore, I am inviting you to our Family Day on 23 March 2019.

The Family Day will take place at the Skinner Park from 8 A.M. There will be lots of food and fun. There will be a bouncy castle and rock climbing. I know you will love it there. I look forward to seeing you there.

Your best friend,

Catherine.
