

Name: _____

Date: _____

Creative Writing Worksheet

- A. Multiple meaning words. The following words have two or more meanings. Write sentences for two meanings. Consult a dictionary if you do not know the two meanings.

Example:

Word: **mold**

Meaning 1: a cavity used to shape a substance.

Sentence: The bowl was made with a potter's wheel not a mold.

Meaning 2: a fungus or growth especially on damp or decaying organic matter.

Sentence: The floor smelled of stale air and mold.
