

The Correct Order of Sentences

This story consists of a number of sentences which are not in their correct order. Show, by using numbers, the order in which they should be.

_____ “Well, don’t you call that an accident?”

_____ A man was being examined by a doctor.

_____ “No, Sir!” said the man, “He did it on purpose?”

_____ “Have you ever had an accident?” asked the Doctor.

_____ “No, Sir.” Replied the man; “except when a bull tossed me over a fence.”
