Worksheets: Practice Writing Sentences

Participial Phrases

Craft sentences using the phrases at the beginning. Remember to set the introductory phrase off with a comma.

Example:

The old witch snapped her fingers and muttered an incantation before she transformed into a bear.

Snapping her fingers and muttering an incantation, the old transformed into a bear.

1. Locked in the closet

2. destined for adventure

3. hanging from a tree's limb

4. frightened by the bandit

5. Reading out loud

6. driven to intense anger
