## Reporting and Recounting Worksheet

Read the following carefully. Plan, draft and write your completed report. Check your writing for errors in grammar and punctuation and make changes if you need to. Then compare what you write to the sample report below.

A student fell from a swirl chair in the auditorium while she and two other students were helping a teacher prepare the auditorium for an important presentation. You are a student reporter for the school newspaper. Write a thorough report about an incident that happened in the school auditorium for the school newspaper. Make sure: to narrate the incident in chronological order, use full names of each person, and include times and dates.

Below are questions that can help you draft your letter. Use the questions to help you write your report. When you are done, compare you report to “A sample report- Tisha”.
