Read the passage below. Then answer the questions.

“What shall we do?” said Fanny to John. “I do not like to sit still. Shall we hunt for eggs in the barn?”

“No” said John; “I like to play on the grass. Will not papa let us catch Prince, and go to the big woods?”

“We can put the tent in the cart, and go to some nice spot where the grass is soft and sweet.”

“That will be fine,” said Fanny. “I will get my doll, and give her a ride with us.”

“Yes,” said John, “and we will get mama to go, too. She will hang up a swing for us in the shade.”
