# KEYBOARDING QUIZ

A standard word requires 5 strokes. Test yourself and find out how many words you can type per second. Do not correct the errors. If you make a mistake, continue typing. When you are done, compare what you typed to the paragraph. This is your eighth timed practice. You have 70 seconds to type the sentences. This quiz is challenging, but you can do it. Good luck!

Type the following in the space provided.

Dear Mr. Kester Jones,

I have locked the hen-houses for the night, but forget to shut the pop-holes.

I fear the animals are too lively at night time. As soon as the light in the main house is out, I can hear much stirring and fluttering in the farm building from my bedroom.

I am not prepared to lose an hour's sleep over all that noise, so I am appealing to you to do something about it.

Maybe, you can visit the barn to inquire as to why the animals are not asleep.

I am just suggesting. If you need my help, I will kindly assist.
