

Let's make some solid. Cut out, shape, and glue together.
A Cube

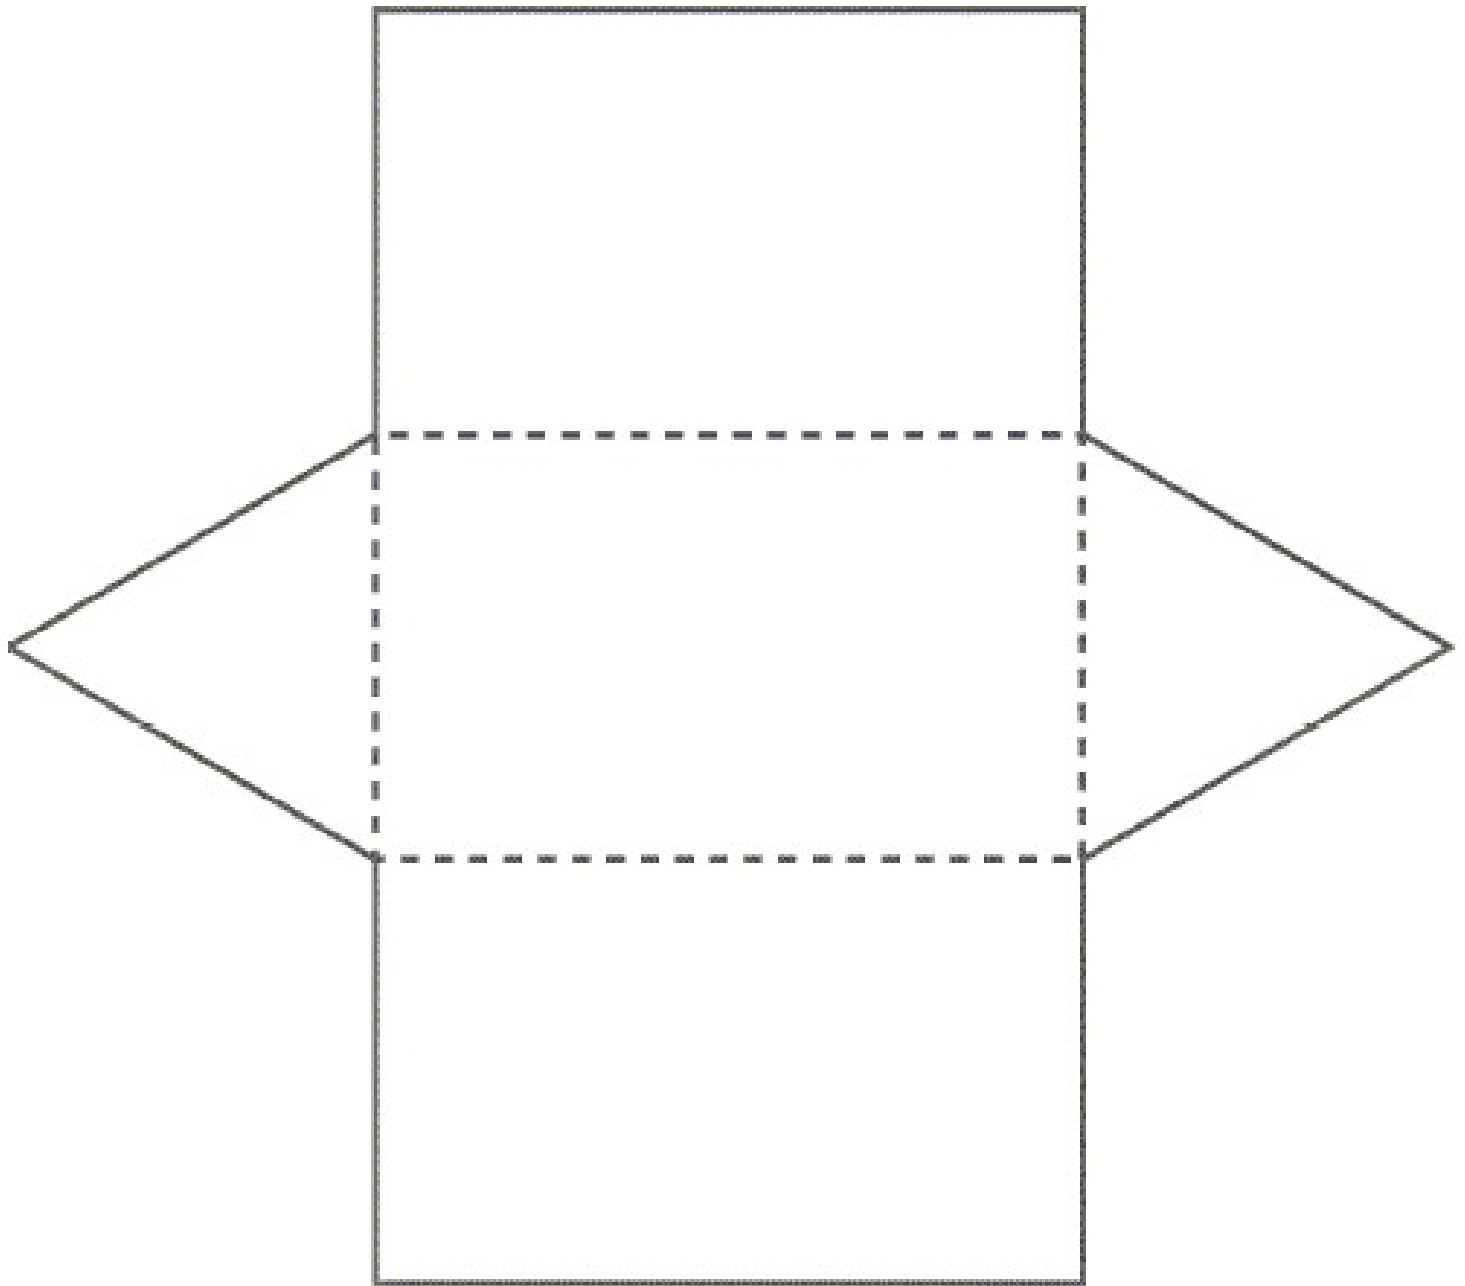

Let's make some solid. Cut out, shape, and glue together.

A cuboid

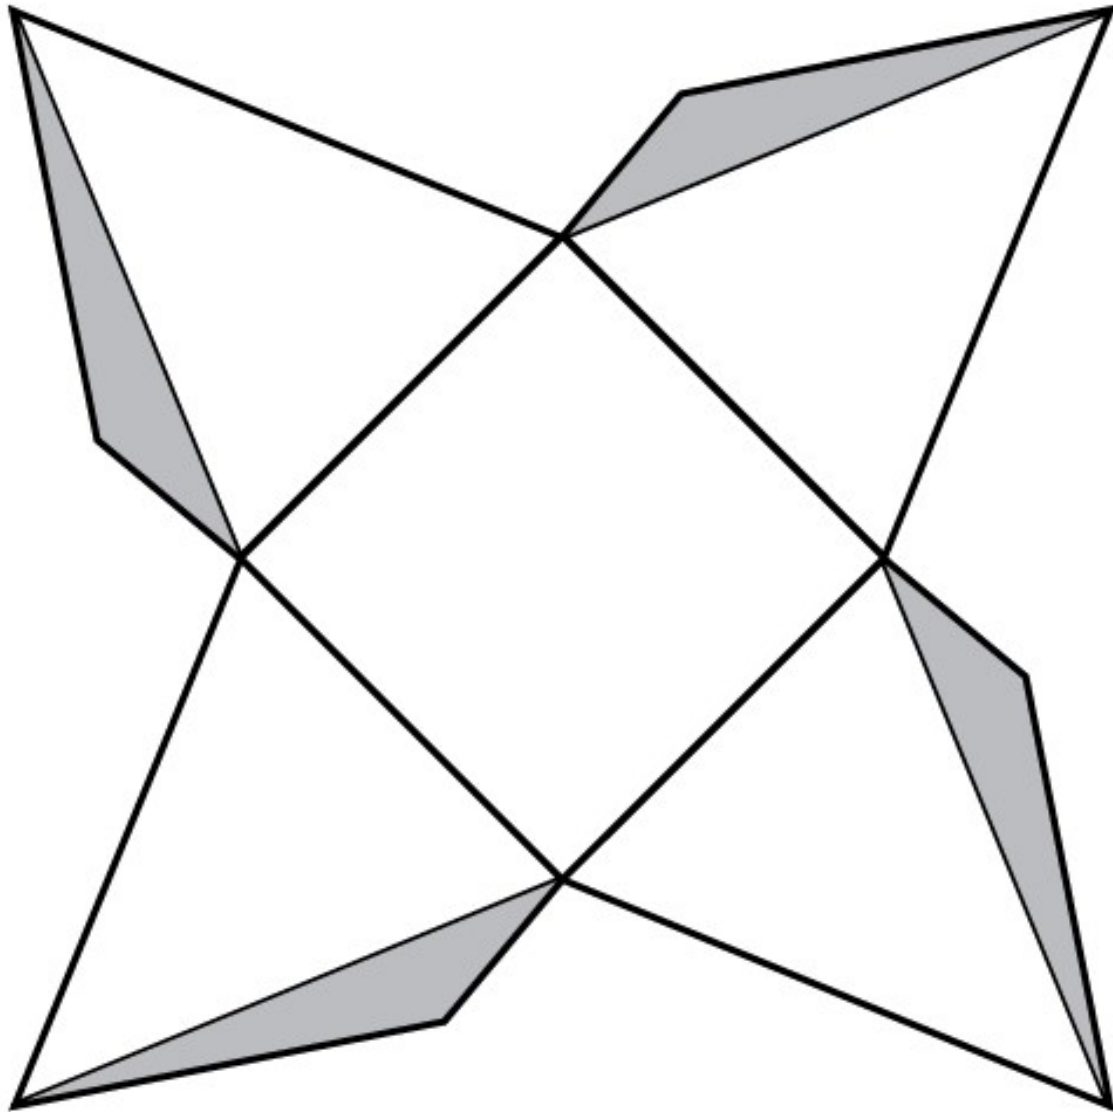

Let's make some solid. Cut out, shape, and glue together.

A Prism

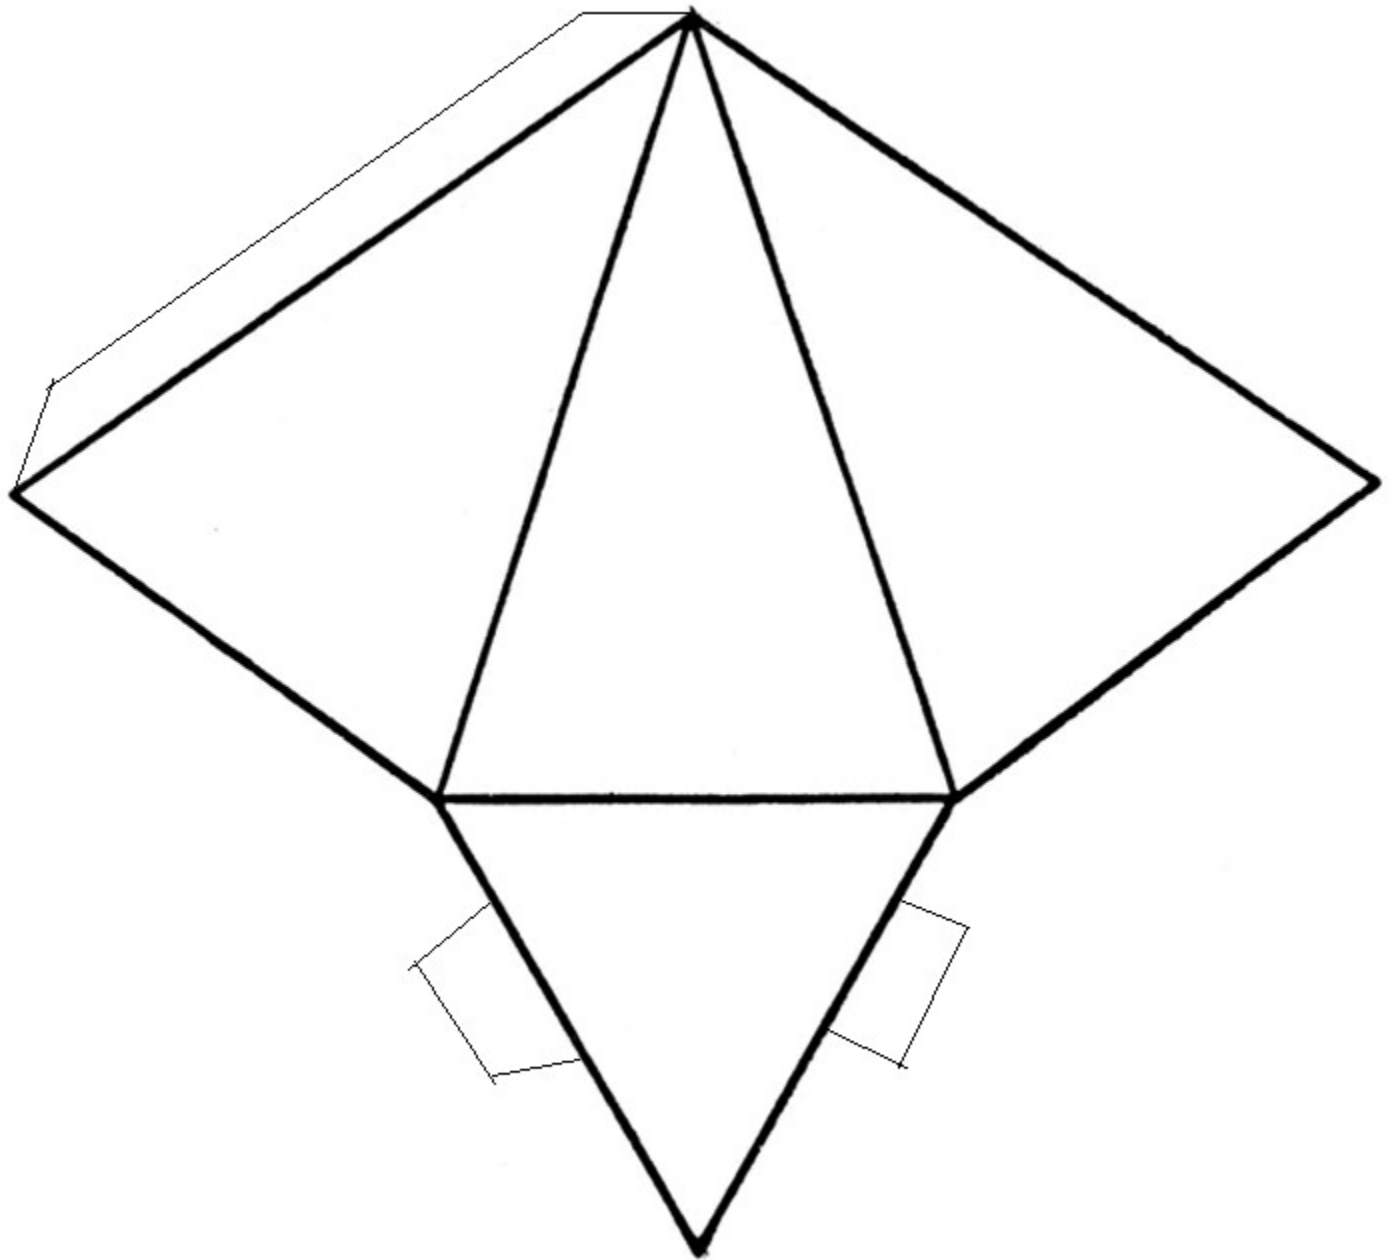

Let's make some solid. Cut out, shape, and glue together.

A Square-based Pyramid

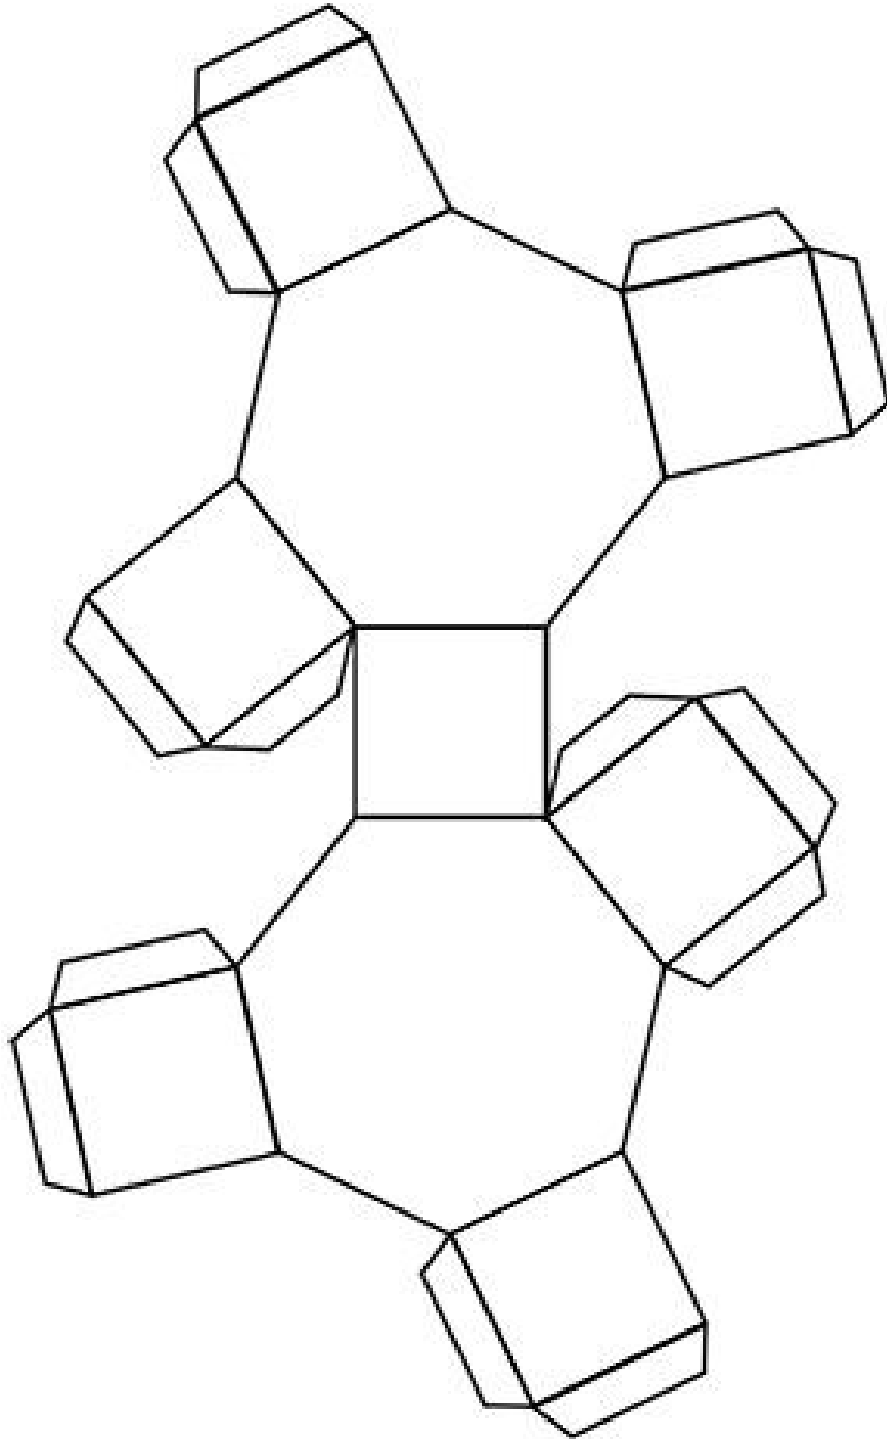

Let's make some solid. Cut out, shape, and glue together.

A triangular-based pyramid

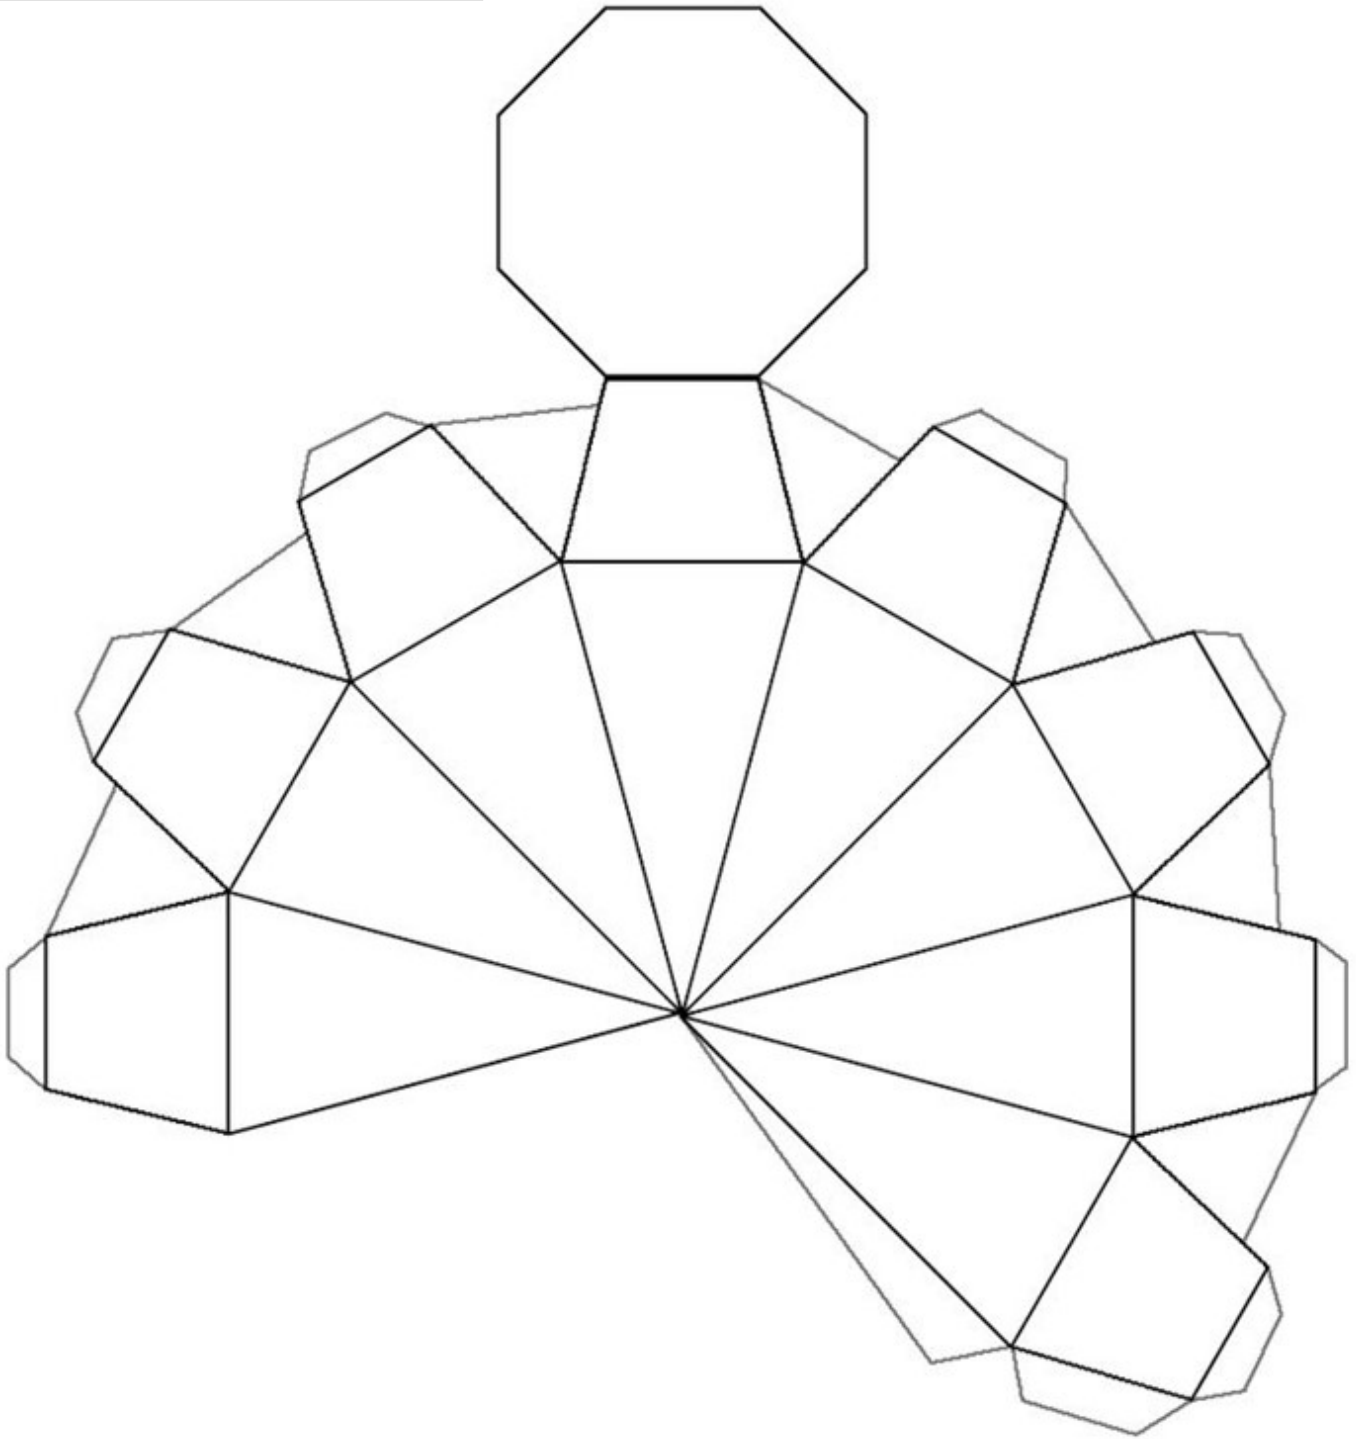

Let's make some solid. Cut out, shape, and glue together.

Heptagonal Prism

Let's make some solid. Cut out, shape, and glue together.

An Octahedron

Let's make some solid. Cut out, shape, and glue together.

A heptahedron
